MINISTRY HIGHLIGHT

TV Ministry

Did you know that you can get a DVD of Today's service? DVDs of Sunday Morning's TV broadcast are available through the Church Office or by contacting Sherri Wallace. The cost is \$5 which goes toward the maintenance of the TV equipment.

We also need camera operators and production assistants (aka "Go-fers."). Even if you are only available occasionally or for special events, we want to hear from you! The cameras are not difficult to learn. One fifteen minute lesson and a little practice, and you will have another skill to add to your job resume! Also, if you have already signed up for the ministry and have not been called, please get in touch with Sherri Wallace after the service, or leave a message for her in the Church office.
